

It Looks Good On You!

Care To Share Program

At **NU Smile** we are proud of the quality of our service—in fact we are so proud, “we’re willing to put **OUR Money** where **OUR Mouth is**”...

Why? Because we know that if you are happy and satisfied with your experience, you will tell others—and if you do we want to reward you for doing just that! As a loyal **NU Smile** patient we want to give you an incentive for referring others to our practice. For every person you refer that redeems this certificate you **AND** the certificate holder are entitled to \$50 credit towards any dental treatment. The certificate holder will also receive a **FREE Exam and X-rays!**

Please print, sign, date and provide this certificate to the person you would like to refer. When redeemed we will note your patient record for your future \$50 credit. Thank you for trusting **NU Smile** with all your dental needs.
